About Hafnia

Hafnia is one of the world's leading oil product tanker owners and operators. Hafnia provides transportation of oil and oil products to leading national and international oil companies, major chemical companies, as well as trading and utility companies. Hafnia operates a fleet of 184 vessels in pools including newbuilds, of which 102 are owned or chartered-in including six owned LR2s, 27 owned and nine chartered-in LR1s, 41 owned and six chartered in MRs and 13 owned Handy vessels. The Company has a net asset value in excess of USD 1bn and is fully financed with a strong balance sheet providing financial flexibility.

Hafnia has a strong history and reputation in chartering, operations and technical management and strives to offer customers the best integrated solution for their transportation needs. Hafnia is committed to maintaining high environmental, social and governance standards. The company has a global presence with offices in Singapore, Copenhagen and Houston and Mumbai.

Hafnia is affiliated with the BW Group, an international shipping organization that has worked in oil and gas transportation, floating gas infrastructure, environmental technologies and deep-water production for over 80 years, with six publicly listed affiliates.
