About Hafnia:

Hafnia is one of the world's leading oil product tanker owners and operators. The Company provides transportation of oil and oil products to leading national and international oil companies, major chemical companies, as well as trading and utility companies. Hafnia operates a fleet of 178 vessels in pools including newbuilds, of which 103 are owned or chartered-in including six owned LR2s, 35 owned and chartered-in LR1s, 48 owned and chartered-in MRs and 14 owned and chartered-in Handy vessels. The Company has a net asset value in the excess of USD 1bn and is fully financed with a strong balance sheet providing financial flexibility.

Hafnia has a solid history in chartering, operations and technical management and strive to always offer customers the best solution for their transportation needs. This solution-focused approach has resulted in a strong reputation and the Company remain firmly committed to being a responsible member of the industry and operating according to the highest ethical standards.

Hafnia is a global company with offices in Singapore, Copenhagen and Houston and presence in Mumbai. The Company is part of BW Group, an international shipping group that has worked in oil and gas transportation, floating gas infrastructure, environmental technologies and deep-water production for over 80 years.
